Important Information:

Please register & drop off your child at west entrance of the PAC (Penn Activity Center) doors.

Please pick up your child in the PAC directly after the halftime performance.

The WPU Lil' Statesmen Cheer Clinic will provide an introduction to cheerleading for your child. The day will be filled with laughter and fun as each child will be taught cheers and jumps. The grand finale will be the half time performance where everyone gets to show what they learned at the clinic to the WPU home crowd!

Our performers will be taught by current William Penn University Cheerleaders and be able to interact with other "little cheerleaders" in their same age group.

Our "little cheerleaders" will be performing February 4, 2012 at the half-time of the Men's Basketball Game vs. Iowa Wesleyan.
